Meeting Agenda

Date: 2015-05-27
Facilitator: Erik Forsberg
Participants: Erik, Patrik, Michael, J, Johan

1. Objectives (5 min). Resolve any issues preventing the team to
continue.

    N/A

2. Reports (15 min) from previous meeting

    Week view and month view being worked on and is close to being complete. Database
    is now working as inteded (fixed and error where long values made it crash). Alarms
    now practially done, But we need a way to trigger the alarms (will probably be a
    thread).

3. Discussion items (35 min)

    We discussed with the supervisor how we should complete the SDD document. Also
    discussion on the alarm trigger. The month view still needs some work and we
    discussed how to calculate which days to show.

4. Outcomes and assignments (5 min)

    Michael: Check SDD and work on Database
    Patrick: Continue coding on weekview and activity element.
    Erik: Continue on monthview.
    Johan: Continue on alarms.

5. Wrap up
